Amusitronix  www.theVRguys.com  1-800-643-0589
FLIGHT SIMULATORS

VR HANG GLIDER
Experience the thrill of hang gliding without ever leaving the ground!

STANDARD FLIGHT SIMULATOR
With truss and flat screens

No matter what you are looking for, we have it!

DE LUXE FLIGHT SIMULATOR
Step into the pilot seat! Realistic, easy to use controls and you’re flying like an ace.

LUNAR LANDER 2020 SIMULATOR
Get the opportunity to experience the feeling of landing the new lunar lander on the moon.
GOLF SIMULATORS

**VR GOLF**
The club is 3/4 the length of a real golf club, but with the same weight and feel, swung over the virtual tee.

**STANDARD GOLF SIMULATOR**
Real golf club striking a real golf ball into a 10’x10’x10 structure. The golf ball’s path is then instantly seen on a projection screen. With Swing Analysis

**FULL SIZE GOLF SIMULATOR**
Real golf club striking a real golf ball into a special projection screen inside a 16’x26’x10’ - vinyl structure. With Swing Analysis

**ELECTRONIC PUTTING CHALLENGE**
The contour of the green changes after each round. Ball automatically returns.
INTERACTIVE GAMES

IMMERSITRON
Get immersed into today's hottest video games with our VR goggles. We can feature from 2-8 seats featuring monitors on trusses for a very high tech look.

VIDEO GAME WALLS
From 2-16 chairs we can supply just about any game on any system for any size event. All sports? No problem. Retro crowd? No problem. Whatever you need, it is no problem.

VIDEO HORSE RACING
Our setup includes a betting window and your choice of projection screen or 2 monitors for viewing. Custom programs are also available where you can name the horses and provide humorous descriptions.
